

Online Academic English Programme

CAMBRIDGE
SCHOOL OF
VISUAL &
PERFORMING
ARTS

Online Academic English Programme is a full-time intensive course, designed for students who do not meet the English Language entry requirements to progress directly onto a course at CSVPA

By taking this programme, you will develop your skills in listening, reading, writing and speaking. You will learn new vocabulary and a basic understanding of grammar, and how to use them in both academic and everyday situations. Upon joining this programme, you will be placed according to your initial level of English, so you will be in the class most suitable to your needs. Students may also join the programme weekly.

Learn English in a virtual classroom

We believe that your studies are enhanced by learning in a supportive environment, that's why when you join our CSVPA AEM online, you join a **virtual school** and become a member of an active community!

How it works

You will be enrolled in an online English class appropriate to your English level. So you can focus on your learning we will be keeping our online English lessons small – **with a maximum of 15 students per class!**

How you learn

We believe that you will learn faster and more effectively if your lessons are engaging, fun and relevant, that's why our teachers use a range of techniques and develop classes that are motivating and build your confidence. This will allow time to focus on any areas of weakness. Our weekly classes focus on the coursebook syllabus and the learning goals and interests of each student in the group.

In each class you will be given the opportunity to speak English with the class and with the teacher. Our classes are small, with a maximum of 15 students in each class, so you can learn in a supportive, friendly environment.

THE PROGRAMME FOCUSES ON THE FOLLOWING AREAS:

Academic English language | vocabulary | grammar | essay construction | critical thinking | note-taking | study skills

Communication skills | interaction with classmates | discussion | conversation techniques | presentations

Projects and assignments | different projects | pair and group work

Confidence building required for further study | IELTS exam preparation | strategies and practice tests
